Q.

I have not received any letters after moving... Why?

There may be some reasons.

A.

1. Have you submitted "Tenso-todoke" to the post office?

It differs from "Tenkyo-todoke", an application to the ward office for a change of address! Submit an application to the post office when your moving date has been fixed. Fill in the "Tenkyo-todoke" at the post office, an application for a change of address with your new address. ↓ ↓ You can submit it on the internet. (Japanese only) ↓ ↓ <https://welcometown.post.japanpost.jp/etn/>

2. Do you put your nameplate in front of your house?

name?

If you do not put your nameplate in front of your post or house, we can not recognize whether you are really living at the house so that there may be a chance that the letters will not be delivered to you. If you do not receive any letters even you have already submitted "Tenkyo-todoke" to the post office, we advise you to put your nameplate somewhere it can be easily seen.
