Studying Japanese... "Where?" "How?"

Studying Japanese and **useful** information. **Vol.3**

Internet learning resources where you can study Japanese.

You can study Japanese at home if you have access to the internet. Here are the websites that offer Japanese learning contents for free.

Japanese for Life in Japan (いろどり) **Develop a basic Japanese communication ability!**

<https://www.irodori.jpf.go.jp/>

We use teaching materials to develop Japanese communication ability that is needed when living or working in Japan. We have three different class levels so that you can choose a suitable class at your own level. You can not only practice your "speaking", "writing", "listening" and "reading" but also learn grammar, kanji, and find out about Japanese living information. We offer it in Japanese, English, Chinese, Mongolian, Indonesian, Thai, and Vietnamese. (as of the end of November, 2020)
